

May 11, 1939.

Mr. Robert Harvey,
St. Michaels, Md.

Dear Sir:

Your letter of May 9th just received.

I am very sorry I missed you on the way to Camp, hope you were not too badly inconvenienced.

I have decided that the best thing to do in your case would be to send for you about the first of next month. We do not work very steadily during May, as it is too early for night baseball, but starting in June we are kept pretty busy so we will be able to tell more about you at that time. Keep in touch with me and I will send you your transportation in time to join us around the first of next month. I, of course, expect you to be in condition to play.

Yours very truly,

AM:CCJ
